Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 01 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry and occasionally bright today.

Today:
A fine, dry day ahead with occasional bright or sunny spells, these best north of Belfast and Omagh. East to northeast winds occasionally fresh at first. Maximum temperature 14 deg C (57 deg F).

Tonight:
Continuing dry with clear skies leading to a slight frost for many come dawn, also perhars some fog patches. Winds easing light and variable overnight. Minimum temperature 0 deg C (32 deg F).

Friday:
Another settled day with all staying dry and enjoying occasional bright and sunny spells. Winds mostly light and variable but a moderate northerly breeze at times around the coasts. Maximum temperature 14 deg C (57 deg F).

Outlook for Saturday to Monday:
Saturday dry and bright. Sunday brings strong to gale winds, a band of rain crossing from north, clearing to showers, these wintry to all levels late Sunday and through Monday.
